# Golf in Cornwall

China Fleet Country Club is a superb 18 hole, parkland golf course designed by Dr Martin Grant Hawtree, located amongst 180 acres of beautiful Cornish Countryside along the River Tamar in Cornwall.

With a par 72 parkland course, enjoy a challenging round of golf including holes with water hazards, tree lined fairways and 3 holes where out of bounds comes into play. Our 14th hole is a memorable one, with a 140 yard carry over water off our championship tee. With thousands of golfers who have played the course over the years, few have left with a view other than China Fleet is an enjoyable, fair test of golf.

Based in Saltash and only a 15 minute drive from Plymouth, our golf course is the perfect location for all Devon and Cornwall golfers, the perfect place to visit or why not become a member!
